One Fine Day will *temporarily* reserve your date until your deposit is received. Your deposit is required within 2 weeks of reserving your event date. This block of time will be set aside for the rental of the fountain and will be permanently held once your deposit is received.

We will arrive 2 -3 hours prior to event time to have everything up and running properly and also giving caterers time to set up food and decorations, etc. One Fine Day will be responsible for set up of fountain, attending fountain, dismantling and clean up of fountain. Your facility will need to provide a skirted (floor length) 8 foot table or skirted (floor length) serpentine table close to an electrical outlet. (Please do not use a round table for the chocolate fountain). Also required will be a receptacle for disposal of napkins and plates.

**Reminder: Please mail signed contract and deposit of \$225.00 to reserve your date. Once deposit is received the date will be permanently held.**
